Lobby Updates Complete

The past few weeks have been very busy at the Huber Opera House & Civic Center, Inc. The lobby, at right, has freshly painted walls and the new carpet gives a warm welcome to those who enter through the double front doors. We were able to purchase 10 new round banquet tables. (No more borrowing from several generous people and churches.) We will enjoy using these tables for the dinner theater events on our schedule. A huge "Thank you" to those who contributed to these much needed updates.

Huber Receives OAC Grants for Fall Shows

The Huber Opera House & Civic Center wishes to thank the Ohio Arts Council for their support in bringing you quality entertainment. This October, 2016 we have been awarded a grant for the production of *The Odd Couple - female version* and also to have Lynn Trefzger Ventriloquist/Comedienne entertain our families! Because of this grant, there will be no charge for the Ventriloquist/ Comedienne allowing families to experience this nationally know entertainer's comedy! There is, however, a charge for *The Odd Couple - female version*.

Tony Award-Winning Comedy Coming in November

C.C. Banks is bringing to the Huber stage, "VANYA and SONIA and MASHA and SPIKE," a hilarious comedy written by Christopher Durang. Vanya and Sonia are a midlife brother and sister who have never moved from their family home or the normal hum drum life that goes along with it. Everything changes when their sister Masha, who is a famous actress, along with her boy toy Spike, decide to pay them a visit and tell them they are selling the homestead. This play was awarded a Tony for Best Play in 2013 along with several other awards. Show dates are November 4 and 5. Tickets are \$20 for dinner and show; \$15 for show only. Dinner will be at 7pm/Show at 8 pm. Dinner will be catered by Grants of Antwerp. Tickets available by calling 419-506-1085 or at the Antwerp Pharmacy.

As a recipient of support from the Defiance Area Foundation, The Huber Opera House provided the location for their annual meeting on September 27, 2016.
