

Incentive Options

Hicksville Job Creation Tax Credit Program

The program grants tax credits against local income taxes to companies that create at least \$200,000 in new annual payroll or provide at least 10 new qualifying jobs.

Enterprise Zone Tax Credits

Provides up to 100 percent real property tax abatements for qualifying projects.

Tax Increment Financing

Permit payments in lieu of real property taxes to finance public infrastructure improvements.

Revolving Loan Program

Low cost loans to facilitate industrial or distribution

Median Household Income

\$35,074

Village of Hicksville Free Land For Jobs Program

Businesses that bring 20 or more new full-time jobs to our community are eligible to receive free land in the Hicksville Industrial Park. Hicksville's free land program is a demonstration of the community's commitment to attracting and supporting new businesses.

Hicksville Development Corporation

A local nonprofit organization offering low or no interest loans to local businesses.

Fast GIS

Defiance County Economic Development has launched a new site database known as FastGIS.

Associated with *Area Development* magazine, the

database can be accessed at www.defecon.com.

FastGIS allows individuals to create custom demographic reports about specific sites in places like

Hicksville. The system also allows site consultants and business leaders to obtain street level views of local highways, buildings and industrial sites in Hicksville and other communities.
