Department Heads:

Police Chief: *Mark Denning was absent but had his list of calls and cases in the packets. Police Clerk Jennifer Caryer was present to express her concerns about the budget process. She said they waited until the end of the year to spend any funds left in case they had unexpected expenses during the year. They are a department that has to 'use it or lose it'. At the end of the year purchases were made before the December 1st deadline set by the Fiscal Officer. She said the officers were grateful to have more than 2 pairs of uniform pants. The department was not happy that the items specifically budgeted in 2026 but purchased and paid for with 2025 funds will be removed from the 2026 budget. She also said the 1st seven items on the appropriations are under control of the fiscal officer and she doesn't know why wages were overspent. Eric Bassett said the Finance Committee looks at budgets as submitted but does not micromanage expenses. He is in favor of reducing the 2026 budget by the items purchased and paid for in 2025. He has asked for a list before*

anything is official. Toni Egly said Mark spoke with her at 4 pm and she had to go for the vote at 6 pm. That was not enough time to consider anything.

Fire Chief: *Darrick Crochran was absent but let council know uniform fitting is done and the committee is getting costs from several companies for the fire truck.*
