VILLAGE OF HICKSVILLE
DEFIANCE COUNTY

NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2025

Note 1 - Reporting Entity

The Village of Hicksville, Defiance County, Ohio (the Village) is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. A publicly-elected six-member Council directs the Village. The Village provides water and sewer utilities, refuse collection, park operations, police services, and fire and emergency medical services.

Jointly Governed Organization and Public Entity Risk Pool

The Village participates in a jointly governed organization, Hicksville Union Cemetery, and a public entity risk pool, the Ohio Plan Risk Management, Inc. (OPRM). Notes 9 and 11 to the financial statements provide additional information for these entities. The Village's management believes these financial statements present all activities for which the Village is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Village's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types, and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all proprietary and fiduciary fund types which are organized on a fund type basis.

Fund Accounting

The Village uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Village are presented below:

General Fund The General Fund accounts for and reports all financial resources not accounted for and reported in another fund. The General Fund balance is available to the Village for any purpose provided it is expended or transferred to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Fund:

Fire/EMS Levy Fund The Fire/EMS Levy Fund receives fire and emergency medical services tax levy money and payments from residents of the Village and surrounding areas who receive fire protection and emergency medical services.

American Rescue Plan Act Fund The American Rescue Act Fund accounts for federal funding which was used for the construction of a new water tower and a new wellfield.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant Capital Project Fund:

Capital Projects Fund The Capital Projects Fund receives a portion of the Village income tax revenue. The revenue is used to make permanent improvements to Village land and property.

VILLAGE OF HICKSVILLE
DEFIANCE COUNTY

NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2025

Enterprise Funds These funds account for operations that are similar to private business enterprises, where management intends to recover the significant costs of providing certain goods or services through user charges. The Village had the following significant Enterprise Funds:

Water Operating Fund The Water Operating Fund accounts for the provision of water treatment and distribution to the residents and commercial users located within the Village.

Sewer Operating Fund The Sewer Operating Fund accounts for the provision of sanitary sewer services to the residents and commercial users within the Village.

Refuse Operating Fund The Refuse Operating Fund accounts for the provision of refuse services to the residents and commercial users within the Village.

Fiduciary Funds Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Village had the following significant Agency Funds:

Village of Sherwood Income Tax Fund: The Village of Sherwood Income Tax Fund receives income tax revenue collected and disbursed each month on behalf of the Village of Sherwood.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D). This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (D) permit.

Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) to be budgeted annually.

Appropriations Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

Estimated Resources Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

Encumbrances The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over and need not be reappropriated.

VILLAGE OF HICKSVILLE
DEFIANCE COUNTY

NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED DECEMBER 31, 2025

A summary of 2025 budgetary activity appears in Note 4.

Deposits and Investments

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Village values U.S. Government and Agency securities and negotiable certificates of deposit at cost. Money market mutual funds are recorded at share values the mutual funds report. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides a NAV per share that approximates fair value.

Capital Assets

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental fund resources. The classifications are as follows:

Nonspendable The Village classifies assets as *Nonspendable* when legally or contractually required to maintain the amounts intact.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the General Fund report all fund balances as *assigned* unless they are restricted or committed. In the General Fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by resolution, or by State Statute.

Unassigned Unassigned fund balance is the residual classification for the General Fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance

Note 9 – Risk Management

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Village pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Risk Pool Membership

The Government belongs to the Ohio Plan Risk Management, Inc. (the "Plan"), a non-assessable, non-profit providing a formalized, jointly administered self-insurance risk management program and other administrative services to 773 Ohio governments ("Members").

Pursuant to Section 2744.081 of the Ohio Revised Code, the Plan is a separate legal entity. The Plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages, modified for each Member's needs. The Plan pays judgments, settlements and other expenses resulting from covered claims that exceed the Member's deductible.

The Plan issues its own policies and reinsures the Plan with A- VII or better rated carriers, except for the casualty and the property portions the Plan retains. The Plan retains the first \$250,000 of casualty losses and the first \$200,000 of property losses. Individual Members are only responsible for their self-retention (deductible) amounts, which vary from member to member.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan.

Settlement amounts did not exceed insurance coverage for the past three fiscal years.
